

Six Mary's Place

A WARM WELCOME IN THE HEART OF THE CITY

Edinburgh is one of the most established international centres for business, finance and education.

If you are staying in Edinburgh on a regular basis Six Mary's Place can offer a practical alternative to staying in a hotel with each of our rooms designed for the individual business traveller. Each room is equipped with a telephone and internet point where you can plug in your pc to access your email on a 24 hour basis. We also have a central fax and printing service.

Situated in a quiet but central location within Edinburgh's New Town only minutes away from Princes Street and Edinburgh's business centre, this is the ideal choice for the corporate visitor.

Six Mary's Place offers the business executive working away from home something extra, that personal touch with a relaxed and friendly environment, with a home from home feel.

Our corporate rates are extremely competitive, compared to a hotel alternative.
